NOTES:

1. Rates shown assume that advertisers supply ready copy. Typesetting & scanning may be charged extra.
2. Terms of payment: Per issue; strictly within 30 days from date of invoice
3. The ISTC reserves the right to decline publication of advertisements submitted.
4. For optimum results please supply a hi-quality PDF. Other acceptable file formats .TIFF, .GIF or .JPEG files.

DEADLINES:

InfoPlus is published monthly and advertising deadlines are around the 21st of the month preceding publication.

DELIVERY:

For optimum results artwork should be supplied as a hi-quality EPS or PDF file with embedded fonts (Note. Vector format only, NOT a bitmap saved in an EPS or PDF wrapper – bitmap backgrounds etc are acceptable but not text converted to bitmaps). Please send to the Newsletter Editor by e-mail – newsletter.layout@istc.org.uk or Bob.Hewitt@innovationandmedia.com. Other formats such as TIFF, .GIF or .JPEG file, may also be acceptable, but a loss of quality will be visible. If in doubt with any aspect of your artwork, please supply your artwork in good time (before the 20th of each month) and request that a copy be sent to you for approval. Responses from advertisers not received by the publication date will be assumed to be positive. Hyperlinks attaching to artwork must be included as a text URL in the supplying email as often links embedded in artwork do not work correctly.
